UM TO DISPLAY SCIENCE FAIR ENTRIES

MISSOULA --

The University of Montana invites the public to view displays at the 36th annual Montana Science Fair Monday, April 8, and Tuesday, April 9, in the Harry Adams Field House.

The hours will be 6:30-9 p.m. April 8 and 8-11:45 a.m. April 9.

High school students in grades nine through 12 will compete for prizes in 13 categories: biochemistry, medicine and health, environmental studies, microbiology, physics, engineering, mathematics, zoology, behavioral and social sciences, earth and space sciences, chemistry, botany and computer science.

Junior high school students in grades seven and eight will compete in physical and biological sciences within their grade levels.

The top two winners in the high school category will win gold medals and an expense-paid trip to the International Science and Engineering Fair, scheduled for May 5-11 in Orlando, Fla. Top award winners in the seventh- and eighth-grade categories will receive silver and bronze medals.

Judging will take place from 1 to 5 p.m. April 8.. Prizes will be awarded at a banquet at noon April 9 in the University Center Ballroom.

In addition, UM physics and astronomy Assistant Professor David Friend will present "Wonders of the Universe" from 1 to 3 p.m. April 8. A planetarium also will be set up in the field house.

The Montana Science Fair, sponsored by UM with support from the Missoula Exchange Club, was founded in 1955 by botany Professor Emeritus Reuben Diettert. He directed the fair for 18 years.

For more information, call Associate Professor Jerry Esmay, the director of the fair, at 243-2883.
